Jim,

If we end up meeting on the 26th I will bring a plan by for you at a time convenient for you. Just want to be sure you are in the loop. Did you ever find out about the camera system you were told was included in the project? The MOU I saw didn't have it included. If it is suppose to be included I want to be sure we have the designers specify something.

Folks,

Are you available this Friday between 11:00 and 2:00 for a very brief meeting to review the progress of the renovation plans? Please let me know.

Thanks,

Stephen
